

# JAPAN

JUNE 6 - 23, 2024

## CULTURAL IMMERSION

We have developed a student exchange program with our sister school Notre Dame Seishin Junior and Senior High School in Kurashiki City, Okayama Prefecture, Japan. Students will travel with 2 NDSJ staff chaperones for a 2 week visit on June 6 - 23, 2024. In the following year, students from ND Seishin will visit NDSJ for 2 weeks. The Japanese students will experience and learn firsthand what it is like to be high school students in America. The exchange students from both school usually stay in contact with their host families for many years.

日本へようこそ！
