

August 2022

Dear Notre Dame High School:

We would like to welcome you to hot lunch 2022-23. The program has been set up as follows:

At the beginning of the school year parents will be asked to **pre-pay** a certain dollar amount which will allow the student to purchase their daily meals. Each student will be issued their own personalized account. The amount that you **pre-pay** will depend entirely on how many days you believe your child will participate throughout the period. Suggested initial amounts are between \$150-\$200. The menu is ala carte allowing students to choose the menu items of their choice.

HOW TO DEPOSIT FUNDS:

We do not accept checks or cash for PRE-PAY accounts at the School. Deposits/funds MUST be paid using our online service. With this system you will logon and make your payments electronically.

www.thepastamarket.net

School code: NDSJ79

We will be accepting cash at the hot lunch line (Counter Service), however, we have found that establishing an account speeds the checkout process during lunch.

You will receive a statement from us on a monthly basis (**via e-mail**) informing you of your child's account balance. This will give you the opportunity to recharge the account for an additional period. If your child spends more than their balance they will be allowed to purchase lunch only for that day. If the account continues to have a balance due your child will not be allowed to purchase any further meals and will be turned away from the hot lunch line.

It is extremely important to realize that in order to maintain the integrity of the program and to continue to offer the lowest costs possible we must insist that the Pre-Pay system is adhered to. When you receive your monthly statement it is meant to be used as a guide for you to monitor where your account balance is at and how much your child is spending per day. If your statement shows that your account is out of funds please remember to always add additional funds to cover future purchases and keep the account active.

Any money owed from the previous school year must be paid before participation in this years program will be allowed.

We have established a 24-hour message Hot Line where you can phone in your concerns or comments and we have a Hot Lunch Coordinator that you can e-mail for any concerns.
